

# POCCINO PRONTO MACCHIATO

- *ice- cold & hot*
- *fresh prepared*
- *in seconds*

## FRESH COFFEE DRINK PREPARATION SYSTEM

You will find that there is no better and also faster way to prepare an original Cappuccino or Latte Macchiato or Espresso Macchiato.

While all other machines prepare it only hot, we prepare it also "**ICE COLD**". Our brand - new system works with our "**cool:xpresso**" in one litre bricks and **fresh milk!**
